“ We were so sadden to hear about A.R., John and I were just talking about him the other day. John met A.R. when he and A. R. lived in Port Acres, TX., they were about 14-15 years old, he told me of all the fun they had together hanging out, he also told me how when A. R. signed up to go to barber school, he sometimes needed a ride, and John would drop him off and go later and pick him up. He said how A.R. would practice cutting hair on him, his brothers and their friends, that was a free hair cut and they liked it. Potty, John and A.R. buddy, came over a few days ago and they started talking about A.R., Potty then told him he had heard that A. R. passed away, John could not believe it. We were both sadden to hear the news. Our prayers go out to you and the girls. Love John & Mary Delafosse

“ *Mrs Theriot*
I want to express my heartfelt condolences because of your loss. A R will be definitely be missed. We always had such lively conversations there in his barber shop. I am with Hewlett Packard and I worked on the computers in the computer room just a couple of doors down from the barber shop. I would usually stop in for a visit before leaving the site whenever I was there for service. He also cut my hair for about the last 8 years and did an excellent job. I will definitely miss him.

Kind Regards

“ A.R. was a good man that I had the pleasure of spending my lunch breaks with for the past 3-years. Always quick with a good joke or a story about the famous hairs he cut 15 or 30 years ago. He knew a little bit about everything and the one thing he knew the most about was ‘his’; Texans football. He had stories about the early days of Memorial Hermann. He always had a way of making it sound like every major decision was made in his shop. He could talk to anyone, by just saying ‘How you doing’; , and the conversation would begin. He was a good lunch buddy, story teller, and most of all, friend. I miss my friend.

“AR always cheered us up whenever we came "to get a growth cut off of Herb's head" as he and Herb called his haircuts. We are so sad for all of you and us because we will miss his cheerful smile and wonderful stories and updates of what was going on at SW. But rest assured that the angels will be even better groomed and there will always be a cup of hot coffee ready.

“ A.R. was one of a kind; a smiling, charming man who would give you the shirt off his back. He was the person I trusted to shave off my locks before the chemotherapy I was going through did. He loved visitors to his barbership and I would frequently stop by to visit with him on my way to the cafeteria for lunch. We would share a cup of coffee and he would share his witty tales with me. I pray for peace for his family and knowledge that he was loved by all who knew him. He will live on in our hearts & memories. Rest in peace my good friend.

“ A.R. will truly be missed by us. He was a good friend and was always there for us when we needed him. When Ralph had his heart surgery A.R. made it so easy for us in so many ways. A.R. having gone thru what we were going thru made sure nothing was a surprise and helped us in so many ways. We want his family to know he will be missed by so many people and we feel like we have lost a true friend. If we can help please know we are here for you. God Help You thru these trying times.
