“ *Linda & Trevor~*

I can not express how deeply sad I am of such a wonderful Loss of Aaron. It has been a good 15 years since I last saw Aaron. For some reason I was thinking about him on my way into work, tried finding him and I came to his obituary.. :

What a wonderful, kind, genuine person he was. I always had a blast with him and David Farmington with friends. This world lost a very good person, with a great heart!

*Sending prayers to you and your family.

“ *Just wanted to say I'm so sorry for your loss. I worked with Aaron for a few years and my favorite memory was on Halloween. We dressed up and the apartment we were at was decorated and he was a sailor and I was Britney Spears. The person who threw the party was upset not many people showed up and Jaap then went on to provoke a food fight with the snacks and we all ended up wrestling and laughing. He blasted music and said that it didn't matter who showed up, we would still have fun, and we did. He was so happy even when everyone else couldn't see anything to be happy for. I will miss him so much.*

“ Linda: I am so very sorry for your loss. I have so many special memories of our children playing and growing together. Various special memories that come to mind were when I would babysit for Kyle and Trevor. Kyle and I would get in the kitchen and bake cookies together. He always had a huge smile on his face and could make my day with those huge expressive brown eyes. I will keep you all in my thoughts and prayers.

I was so very sorry to learn of Aaron's passing. I know that no words can adequately comfort you at this time. Just know that your friends are here to help and comfort you whenever you need us or if you just need to talk. I am so very sorry for your loss. Love to you both.

“ *I have known Aaron since I was 6 years old. He was like a brother to me for a very long time. We lost touch but every time we saw each other it was like no time had passed. He was a loving and caring friend and was always there when you needed him! What a loss to our world. Go in peace my friend.*
