“ Cindy, my heart goes out to you and the kids. We will be strong for you. You know I got your back, I always have. I will do my best to support you and the children with everything i could possibly give for the rest of these years to come. You come from a long line of strong women and your sisters will not let you fail or fall. If they leave me room, you know you can lean on me and ask for help. Stay strong.

Joseph, Mikey, Marcus and Dora I will try my best to be there for you and you can count on both Deedee and I anytime.

Adam I still got your back, man. Until we see each other again.

2 Corinthians 1:3-4 â€œPraise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God.â€

“ Cindy, we are going through all of this together side by side. We will figure it all out. I promise once more, we will ALL be better then OKAY. It is not going to be easy but together with all your sisters, brother in-laws, nieces, nephews and close friends helping you move forward you will continue to be a great mother, sister friend and person. I will make sure of it. Know that Adam is in Gods care. GOD will give you the strength to move forward and make the pain easier to bear. Adam is a strong happy positive soul. He has shown this to several of us in the past few days. We had a conversation in my dream. It felt too real not to be true and Adam, I felt your LOVE too. He came to me and thanked me and he said I know why. Then forced a hug on me like he always did. He said "Tell Cindy, my mom and Evette that I am OKAY, don't worry anymore. Tell all of my babies that I love them and that all FIVE are Beautiful and Precious". I told him I would do my best to help when I can and he said he knew that already. I was going to keep this to myself and just take it as a dream, but when I started typing I felt him stronger then ever force a hug on me again and this time I was exhausted but awake. He really is watching over you and still taking care of his family. I have never felt any spirit so strong but it was a very peaceful even happy feeling. I have not felt that feeling in a long time. Thank You Adam for that gift. WE *ARE* GOING TO BE OK

“ To Rosie, Evett, and the Rodriguez Family, my most sincere condolences. Although Adam was not my blood nephew, I always considered him to be. My heart aches that he is gone at such a young age; but I know Adam is in the Kingdom of God with that beautiful smile and laughter. He will always have a special place in my heart.

“Adam was a hard worker, proud parent and a Patriot. He had always supported me when I was conducting Military Service and when I was overseas in Iraq in 2008. Now that he is no longer with us, I must continue to do bigger and better things, because I would continue to have his full support, in this life and the next. His children would have my full support in the things they do, no different than Adam having support for me, because they are a part of him and I owe Adam that much. Remember the Buddhist saying "True love is born from understanding", thank you.

“ First Thessalonians 4:13-14 says, "But we do not want you to be uninformed, brothers, about those who are asleep, that you may not grieve as others do who have no hope. For since we believe that Jesus died and rose again, even so, through Jesus, God will bring with him those who have fallen asleep." All believers will worship together with the Lord in heaven for eternity. Our loss may be painful now, but it is temporary.
