*Beautiful video of Adelina her and Henry were there for me and my children after a bad divorce Literally I think they saved my life. she would call me everyday and took me to our church prayer meeting where I know I was saved by my Lord and Saviour. When they lived on Ave E me and my Daughter Dominique would go visit them everyday and she was very very close to her Goddaughter Dominique and myself too. She prayed for me everyday and I will miss her terribly but she will be happy to see Henry the love of her life. Thank you for everything Adelina and I am sorry that I won't be able to say good bye because I will always carry you in my heart in a wheelchair myself now and very hard for me to get out but just know I will see you again someday*
