“ My sweet Nana,
You had taught me so much in my life. My cherished memory will be the gift you had given me, my talent of painting. You made the most beautiful pictures. I plan to get back to painting again. With every brush stroke you will be there with me. You had always taught me how to cook, clean, make the table, and play cards. I am very blessed to have had such a wonderful grandmother in my life. Every bit of that I will always remember and cherish. You and Ivan had such a special bond. Every time you would see him you would get so excited. I'm so glad you got to meet your great grandson Zane. I will tell him many stories of his wonderful great Nana. I know you are watching over us in heaven now, and God has now one of the most amazing angels with him now. We love you Nana.

Love,
Jessica, Zane, and Ivan
