“ We are so sorry to hear the passing of Adolph. Dude and I have known him for many years through Dale and Nancy Urbanek. He was a wonderful man, and and we both enjoyed visiting with him. Heaven has gained another precious angel. God Bless the family through these times.

“ In 1963 I worked with Adolph along with Bobby and Adolph Kucera for a short while in some air conditioning firm in the Westbury area of Houston. He was a cherished friend and neighbor to my cousin Margaret Trlicek--he was always willing to lend a helping hand.

“ *What a dear and treasured man. The impact of his death will be felt physically as well as in the depths of our hearts. Adolph always served God in his care and consideration of others - I've seen it while I enjoyed serving alongside St Paul's, and I see it in his continued gifts to my children, whom he loved as his own... as he did all children. What a tremendous man of God!*

“ *I first met Adolph when I came to St. Paul's in 1996 as their pastor. My best memory is of he and Delbert Gajevsky redoing the floor in our house after being flooded. There are other memories that I am sure he would rather I did not reveal!*

He was one of the kindest and gentle men I have ever known. When his beloved Totsie was so sick, he took wonderful, loving, gentle care of her. After I left St. Paul's, I read in the newsletter that he took over the CROP Walk and helped continue the legacy of St. Paul's having more participants and more money raised than many other churches.

I have missed him as I have missed so many from St. Paul's. Mary and I give thanks to God for his life and friendship. The world is a little worse off today and heaven is better off with Adolph's presence.

Our thoughts and prayers are for the peace of Christ for Adolph's friends and family.
