“ Alan is one of the very best men I've ever met. As a small business owner he supported me, and inspired me to work hard and be energetic in all that I did. Never did he complain or come into our store down. In fact when I would see his car pull up I would be anxious to not only help him, but take the time to talk to a friend. I will miss you Alan, truly a person who has left a lasting impression on my life. Thank you for that. I owe you.

“ I grew up knowing Alan while I was young man, helping to build the house he lived in and later working for him building all the fences around his home, cattle pens, making hay, cutting rice and all other jobs around the farm. He truly was a lifelong friend that I never forgot and enjoyed seeing whenever possible. I have many, many memories of him, the ranch, and his family as I grew up. I will miss him dearly and my thoughts and prayers are with and for his family.
