“ The good Lord truly has a wonderful man along his side now. Mr. David, I am saddened by your loss, and my prayers are with the whole family. Mr. Chernosky was probably the most entertaining customer I will ever have the pleasure of meeting. Always sharing the funniest stories about the animals he loved so much. My mother and I were so fortunate to have become friends with such a interesting, funny, and courageous person.

“ One of the most honest and sincere people we have met. When you walked into his home, you felt at home. When you were with Albert you knew he loved his family, garden and animals. He will be missed but truly NEVER forgotten. Our thoughts and prayers are with Nova and the rest of his family. We never want to let go, but he is safe now, safe in your heart and in God's love. We can believe he is watching over us..even for us. Now he has crossed over the rainbow bridge stretching between two worlds, to awaken surrounded by loving familiar faces, sunlight, sweet music and peace. Love you all.
