

## Aletha L. Moran

November 11, 1955 - April 21, 2025

Aletha L. Moran left her “issues” behind (if you know you know) on April 21, 2025 with her family by her side. Born in Wilmington, DE on November 11, 1955 to George and Shirley McCormack, she lived coast to coast, but always felt Texas was her home and returned last year when she had fallen ill.

Aletha graduated from Laurel High School in 1974, where she met and married her husband Jerry “Jake” Moran. For 51 years, they raised two amazing daughters, Angie (Scot) Nichols and Jenny (Joe) Qualls and spent as much time as she could with her loving grandsons Wyatt and Nicholas, teaching them over the years to love fireworks and Galveston as much as she did.

Aletha was predeceased by her mother Shirley, father George and sister Farol.

Aletha leaves behind her sisters Kathy (Frank) Hamilton and Dara (Andy) Stahl who she shares so many wonderful memories with, our amazing Armstrong family- especially Margie Wegner who was like a second mother to her, several nieces and nephews who she loved with all she had, her Peterson cousins who filled her heart with childhood memories and many friends who became her family, especially Wes and Denise, Morris and Julie, Mike and Holly and Sandy.

Davis Greenlawn Funeral Home & Chapel, Rosenberg, Texas, will provide cremation services. Per her request, there will be no funeral. Aletha loved to live life to its fullest. To honor her memory, don't mourn- go on an adventure with the ones you love.

Memorial donations can be made to the Laurel Volunteer Fire Department's Fireworks fund (215 W 1st Street Laurel, MT 59044) or the Roaddogs IRO Toy Run (1141 Eldora Lane Billings, MT 59105), two of her most treasured events.
