“ *One of my first jobs in Stafford area was at the Viking Den. I worked on and off there for several years. Gene was a funny man sometimes and we all had a great time there. Most of us practically lived there. John and I lived about 20 miles from the Viking Den but we made that drive at least 3 times a day for years. It was where everybody kept up with everybody else. Great times. My heart goes out to the Foster Family and Friends and I pray that your memories of Gene are always happy ones. Thinking of you and praying for peace and comfort.*
