“ Al was a joy to work with in the '70's in our Ford Aerospace "warehouse" days where most of the Mission Control Equipment was built. He was always positive and fun to be around. I am sorry to hear of his loss and offer my sincere condolences to his family.

“ Alfred was a very good uncle to me. He made me know there is a Santa Clause when I was a small child. "Santa" left a letter for me, thanking me for the milk, cookies and a vitamin that I left for him. As an adult, I noticed that the precious note I received from Santa looked suspiciously like my Uncle Alfred's handwriting. May you rest in peace, where the roses always needs care and the greens are always waiting for you. You are missed, Bridgett Winder Brogdon
