“ Such great memories of 20 years working together at Geosource/Halliburton in ouston, Tx.

*Algie was always willing to work long hours, pleasant to be around, willing to share his knowledge and more than willing to reach out to help in any way he could.
Happy to be able to call him a friend.*

“ What a life well lived! Not only an honorable life, but a beautiful life. I'm so happy I was there to see him enjoy his 90th birthday! Both Mr. B and Mrs Mary Lou always treated me like they had known me forever; like family. A good life lived is when those you leave behind feel blessed and enriched for having known you. Well done Mr. B! You have certainly earned your crown sir! To all the family and to the kids; especially Margaret and John...and the Jim Blackert daughters... my very deepest sympathy on your loss....it was most certainly Heaven's gain! God Bless your precious family!

“ *Just like the rest of the Badgers, he treated me like family. Whatever was needed was given, and then some. I was blessed to have known him.*
