*Allen would ❤️ This!
Portrays him perfectly. From his childhood with family, his love for the outdoors, fishing, boating, skiing, Colorado, football, throwing disks (which we both competed in) and most of all his love for his family. I was blessed to have found true, selfless, unconditional love ...and an amazing father to our girls! Time is a gift, cherish it, because life can change in an instant. Love you to the moon and back Babe! Rest easy*
❤️❤️❤️

“ Not sure where to begin, how do I say bye to the oldest friend I had. Too many memories to count, The Cul-de-sac, The Learning Cottage, countless pool parties at my parents, baseball, street hockey, trying to stay up longer than our brothers during sleep overs. We grew apart over the years, but one thing stayed constant, you were always "Buddy Al" to me, and always will be
