“ *My grandpa Roy was an enormous influence on my life, even if he never realized it. A family apart, time together exists largely in the fondest of my young memories but the impressions of a truly great man are everlasting. I will never know the depth or breadth of his beauty but I know he admires mine from afar. Forever in my heart - I will miss you grandpa.*

“ *Sophie,
I am so sorry for your loss. For many years mom and dad, Bill and Ann Orr, shared your and Alton's friendship which was so special to them. So many times you both were there to listen to and encourage them, this meant so much to them and and it was such a benefit to us as their children. Loosing a loved one is so very difficult but always remember that your Loving Savior is waiting to hold you and love you whenever you need Him. Our prayers are with you and your family as you make this journey through the grieving process. Love in Christ.*

“ *I first met Mr. Al when starting my new job at Fann Instrument Company. He sat next to me and helped me learn my new job, he was always kind and patient even when he was'nt feeling very well. Mr. Al is one of my favorite people, the thing I liked most about him is his sence of humor he was always ready with a joke and would get that twinkle in his eye when telling one. He spoke of his family often, he was so proud of all of you especially his grand children. My heart goes out to all of you on the loss of this very special man. I will always remember Mr. Al Sincerely, Kathy Patton*
