*I remember spending Thanksgiving at their home one year and  
Amanda & Josh were wonderful hosts and they made me, a stranger  
feel welcome and at ease. I will never forget that as it was at a time  
when I felt lost and the entire family put me at ease. Amanda was a  
wonderful hostess. May God bless her entire family.*

*You will be missed by many Amanda. You touched so many people throughout the years. You always gave freely, never expecting anything in return. I'll always remember our love for Doodles. I showed you my Bentleigh and then a bit later, you had your Jake. I'll always remember your compassion when my mom passed away and all those times you volunteered to help me when my husband was hospitalized from his surgeries. You were so giving with your hands full with 3 kids, 2 more wouldn't bother you. An awesome mother and wife you were. I'm going to miss you, but it's not good bye, rather see you again someday.....till then, Godspeed my beautiful friend.....*

*Josh, you may not remember me but I met you in the Feed Store last year and appreciate your helping me select the appropriate scents of Auto Air Fresheners that you sold in the store. I'm sorry I never got the chance to meet Amanda but was extremely pleased with the work she did on the name labels for Cora and I will forever remember her work fondly. She will definitely be missed. I pray the Lord will bless and comfort you, the children, and the rest of the family at this time of your loss and through the years ahead.*
