“ *Many years ago when I was in high school, Andy was so kind and gracious to lend his brother whom I was dating at the time borrow his car. He allowed us to use it for my senior prom back in 1969. We promised his car would be taken care of and return it without a scratch. Thank you Andy for always being the caring brother you always were with your family.*

*May you Rest In Peace Andy. My condolences to your family and the whole Montez family. May the beautiful memories of Andy forever shine in your heart while allowing you to get through this difficult time.*

Beverly, Vicki, Chrissi, Missi, and Katie,  
Andy seemed to struggle to keep his heart from bursting from the  
abundance of his love of family. He loved all of you so much and he  
adored his grandchildren. Ironically, Andy would have been amused  
with how I struggled to write his notice for the Corpus Christi paper  
since he taught English. My adjectives fell far short of capturing his  
kindness and generosity. I realized my writing difficulty was because  
Andy wasn't so much a noun as he was a verb. I'm so grateful he was  
my brother.
