“ I have been thinking about this lovely family, and I'm sorry to hear that Mrs. Curry passed last year. She was a wonderful person and I have fond memories of her. I grew up across the street from her before her move to Richmond and was friends with Amber. She taught me to ride a bike without training wheels and took me swimming often. After her move, she'd often still pick me up to come spend the weekend so I could still visit Amber.

“ Although many years have passed I still have vivid memories of visiting Uncle Victor's home with my father and mother. I know we spent many hours with my uncle, aunt and the girls. I am truly saddened with Anita's passing and am praying for peace and comfort for my surviving cousins.

“ I was so sorry to hear of Anita's passing. Our family is so large that we have lost contact with each other over the years. I am her cousin Joan Whaley Kraus and I have fond memories of playing with Anita, Linda Kay and Mary Nell when we were young children.

“ Aunt Nita always made me feel special when we went over to Mammaw's after church. Angie had Tracie and Bubba had Robbie, but I didn't have anybody to hang out with. She talked to me and pulled me in. I always thought she was so cool and she always looked fashion savy. I remember mom being upset about Aunt Nita taking us to an R-rated movie.....Jaws I think....I think it was just Angie and Tracie that went tho.
