“ *My thoughts and prayers are with all of you during this sadden time in your life. Your Mother was such a sweet person. I admired her plants and watched her garden grow as I drove by each day.*

“ *When Barbara called to tell me about her mom she described her as a gracious lady who lived a simple life....So True. I remember her as my caring, patient "second" mother duing the high school years. It's been 43 years since I last saw her beautiful face. The years and miles have never erased the memories of having her her in my life for a short time. Her legacy continues to live on though all who were ever touched by her loving ways. May God bless and comfort the wonderful family she leaves behind.
Loving thoughts and prayers,

“ *Dear Barbara, Jane and David,*

Your Mother's calm, sweet smile will always be my memory of her. She was a gracious, caring, beautiful lady. I know she had a huge circle of family, friends, angels and saints greeting her in her Heavenly home. She is resting in peace, and I pray for comfort and peace for you.
