

## Anna Buzek

February 13, 1955 - October 30, 2025

Anna Marie Buzek, 70, of Katy, Texas passed away suddenly at home on October 30, 2025. She was born on February 13, 1955 in Richmond, Texas to parents Johnnie and Mary Ann Buzek.

Anna grew up in Rosenberg, Texas and attended Holy Rosary Catholic School through the 8th grade. During high school at Lamar Consolidated, she worked at Schaefer Pharmacy in Rosenberg. Her work there inspired her to become a pharmacist. After high school she attended the University of Houston, College of Pharmacy, from which she graduated in 1979 with a Bachelor of Science in Pharmacy and went on to become a licensed Pharmacist. She began her career returning to Schaefer Pharmacy alongside her mentors, Mr. Henry Wertheimer and Mr. Johnny Scott. She continued her career at Frostwood Pharmacy, Kroger Pharmacy, and Pharmor Pharmacy, followed by a return to Kroger, where she worked for 21 years, retiring in 2011. After retirement, Anna took a few years to do some traveling and made it a point to spend time with family. To keep her pharmacist license current, she decided to return to work a few days a week at Katy Pharmacy, where she was employed at the time of her death.

Anna traveled throughout her life. She enjoyed going to casinos and Disney World with her nieces, nephews, and cousins. She was quite the Disney fan, collecting numerous pieces of memorabilia over the years. She was especially

fond of Mickey Mouse; he could be found featured throughout her house during any season.

Anna enjoyed playing cards (just try to beat her at Cribbage), dominos (42 was her favorite), board games and doing puzzles with family and friends. She also enjoyed family fishing trips and spending holidays with family.

Anna was deeply dedicated to her immediate and extended family. She enjoyed visiting and having fun with her brothers' families, and later her nieces and nephews and their families as well. She kept up with her nieces and nephews as they grew up, always remembering their birthdays and giving them special gifts, and making time for big moments throughout their lives. Anna also stayed connected with her Aunts and Uncles and had close friendships with several of her cousins. They were dear to her heart. Anna had a special place in her heart for her father. She cared dearly for him as he aged, spending much of her free time making sure he was well cared for.

Anna will be dearly missed by her immediate and extended family and friends. She will be remembered as a loving and caring daughter, sister, sister-in-law, aunt, great aunt, cousin and friend.

She is preceded in death by her parents Johnnie and Mary Ann (Maresh) Buzek.

She is survived by her siblings Johnnie Buzek Jr. (Susan), Tom Buzek, Allan Buzek and Francis "Goose" Buzek (Geradette); nieces and nephews Olivia Buzek (Michael Paul), Laura Buzek Underwood (Kenneth Underwood), Cecelia Buzek, Everett Buzek, Allan Buzek Jr. (Heather), Josh Buzek (Symetria), Adam Buzek, Bradley Buzek (Nicole), Bryan Buzek (Jenna) and Brent Buzek (Keli); great nieces and nephews Eleanor Underwood, Isaac

Underwood, Isabelle Bolinder, Tyson Bolinder, Kai Buzek, John Buzek, Scarlet Buzek, Myka Buzek, Hattie Buzek, Bryce Buzek, Boyd Buzek and Blair Buzek.

Visitation will be held on Monday November 24, 2025, at 1:00 p.m. with a rosary service at 1:30 p.m. A memorial will be held at 2:00 p.m. in the chapel of Davis Greenlawn in Rosenberg. Burial will follow in Greenlawn Memorial Park.

“ Growing up in Alaska made it difficult to connect with family, most of whom lived thousands of miles away from me my entire life.

*Aunt Anna seemed to have a unique ability to close that space with ease. I always knew how much she loves me, and I love her back - dearly.*

*I have so many fond memories with Aunt Anna, there are too many to list. I'll share a couple.*

*Sharing her love of roller coasters, first at Astro World and then at Six Flags San Antonio (usually with a gaggle of kids who love her as much as I do), was something she was more than happy to do. I have never been an adventurous person, but riding coasters is something Aunt Anna showed me could be so fun. I'll be making a trip to a coaster park with my kids someday, and will cherish the moments I can pass on.*

*Coming to Alaska is no small feat when you live thousands of miles away. I have so many memories of Aunt Anna coming to visit, and could never contain my excitement. One year she brought up my cousin Bradley and took us all on the Alaskan excursion of a lifetime. We traveled all across the state, and even found Bradley his first real Alaskan snow.*

*Aunt Anna was kind, selfless, charitable, loving, gracious, funny, beautiful inside and out. I will miss her more than words can describe. Love and hugs to all the Buzek's & Maresh's, and everyone who loved her and called her friend.*

“*Anna was a dear friend. While we had not seen each other in a few years, we remember her helping our neighbor (whom everybody called Aunt Maggie) make some of the best Kolaches in the world. We had long "discussions" as to what was the best flavor (of course nothing beats a Poppy Seed Kolache). Aunt Maggie and Anna were cut from the same cloth, and both really enjoyed each other's company.*

*Anna was an aggressive 42 player, and I only beat her once in Cribbage (but since it was a skunk, I will remember it with great affection). She taught our daughter how to play Chutes and Ladders, and of course, Anna always let the child win.*

*Anna was a great friend, who brought a light to the world. She was somebody who just was a joy to be around. Always having a smile and kind word to say. When we think of Anna, we have to grin, because Anna was always grinning. We will miss her terribly, while at the same time being grateful that we had what little time we did have with her.*

*May she rest in peace.*

“ Anna.. she was a daughter, sister, grand daughter, beloved aunt. To me she was more than a cousin. She was my friend, my confidant, bridesmaid who walked down the aisle 43 years ago and stood by my side, my first person i saw when id visit Texas, she was my welcome home! I remember we would drive up the driveway and id hear” they are here” then the screen door slamming and Anna running over to the car with a big grin on her face and arms open for hugs. She gave the best heartfelt hugs!

*If you knew Anna, you knew she possessed a great love for family. Her eyes always sparkled when she shared stories of adventures with her siblings ,nieces and nephews. Through her stories i felt like i was able to stay connected to extended family.*

*I admired her perseverance to succeed and her ability to push thru adversity to achieve her goal of becoming a pharmacist.*

*I have so many fond and fun memories but one of my favorite adventures with her is when she had brought Bradley to Alaska and the two of us driving separate vans each loaded with kids for a trip to the Kenai peninsula. Fishing wasn't quite as successful as it should have been because i had brought along the wrong poles. When we returned to Anchorage, i opened up my freezer and tossed fish to Bradley who passed it to Anna to put in the cooler, then we could say he caught fish in Alaska .We were all laughing so hard!!*

*My hope is that each and everyone of you has at least one special memory. A memory that will keep Anna's memories alive in your heart.*

*For me the slamming of a screen door is synonymous with Anna and it always brings me joy.*

*I will miss her more than words can convey.*

*My prayers are with you.*

“ I’ve known Anna and her family since we were in the first grade together at Holy Rosary. Although I lost touch with her over the decades, I have fond memories of Anna because she was always kind, warm and a pleasure to be around. I know she will be missed, but heaven has a new resident.

She was always very kind to me and I remember being surprised at how she could get crazy with the rest of us, as we sat around a table, enjoying Tex-Mex, and swapping funny stories about our customers.
