“ Cecil and Nancy: A member of Gethsemane had informed me of Anna's death, but we were out of town during the time of visitation and the service. Your Mother was a very special person, and she will be missed by so many. We still have a blanket she made for our daughter when she was born 27 years ago, an example of what a loving and giving person Anna was.

Our thoughts and prayers are with you and your family.

“ Cecil,

I am so sorry to hear of your Mother's passing. Unfortunately, I found out too late to be able to pay my respects to her and your family. I have such great memories of growing up with our families being close. I know you and your family have such great memories of her. Now she can be back with your Dad.

Best regards,

“ My mother Jessie Cofer attended Gethsemane Church for quite a while before she passed away. Anna was always so very kind and sweet to her. I know when I accompanied my mother that I always looked forward to seeing both Anna and Bernie. They were both very special and kind people. I always appreciated the kindness and caring that they bestowed upon my mother. My deepest sympathies for your loss, but heaven is a brighter place with Anna. She and my mother are smiling down on us now.
