“ I read the message that went out to those of us in the Czech Heritage Society. While I didn't know Mrs. Novak, it sounds like she lived a great life and was a wonderful example for her family. I am sorry for your loss.

“ My Grandma was a wonderful caring and patient person. She allowed me to be her shadow for many years of her life and even when I was "grown up" I still noted the ways she treated people and enjoyed every moment of her life. I remember her always waiting on me to do something but not rushing me, such as me dragging around a stool so that I could "help" hang clothes on the clothesline with her. Every grandchild and great grandchild has stories of her being herself and showing her beautiful soul.
