“ Archie,
I am so sorry to hear of the passing of your father. He was such a very nice man. I know these wishes of condolence come much after-the-fact, but I just saw this as I was perusing the memorials. My brother and both parents are buried in this cemetery also. Give my best to your dear, sweet mother.

*Take care,

“ *The pain of death is one of the greatest pains, we will ever have to go through in the walk of life. the Bible helps us with this pain. Jehovah tells us that he will put a end to all sickness & death will be no more. Rev.21:3,4 God's love for us is shown through the ransom sacrifice of his beloved son Jesus Christ. John 16:3 It is a comfort to know that we will be able to see our loved ones again.*

“ Ramos family our deepest and sincere condolences for your loss. It is never easy to not see our loved one ever again in person. We will hear a song, a saying, a program, etc., that will be them, treasure that. We can have great memories that is how we learn to move on. God gives us each other for a time then He calls his soldiers home. Be comforted that you have those treasured memories and one day we will be together with those loved ones. they only got a head start. Be comforted in the Lord. Our prayers are with you today.
