“ I was so sorry to hear about Ardeth and wish I had heard about her death in time to visit with the family in person. I worked and new Ardeth for many years at T.I. and loved her very much. She and I shared a love for the slot machine and family. I missed her after she retired but did run into her at the grocery store many times. She was always planning a trip and was always so excited and happy. My prayers are with you because I know she will be dearly missed.

“ With deepest sympathy we are so sorry to hear about Ardeth--your loving mother. We were shocked to know that her visitation was this past Sunday, as we did not see the obituary in the paper till this Monday. We had wished that it would have been in the paper sooner than the Saturday Sunday paper as my mother was very good friends with Ardeth, and did not get the chance to say goodbye. I for-- my mom-- wished she could have been notified by the family, so she would have been able to make the viewing. Ardeth will be missed by my mother and me as well, she was a very kind, loving and fun person. The family is in our prayers. Love, Marie and Tamie Pucek.
