“ I had a dream on Wednesday night (May 8th) about Daddy Jones. He and I were at the old house on N 10th street in the den and he had smashed his thumb and I went into the master bathroom to get a bandage. I found out Friday from a family friend that he had passed. I thought to myself that he was letting me know he was gone. Daddy Jones was a master of the barbecue pit!!! Hugs and strength to you Millie. Your cousin, Paulette

“ Uncle Jones and Aunt Shelly loved to entertain. These memories are from Thanksgiving 1988. Although they are both gone to glory, we have wonderful memories that remain with us!❤️💕

“ Our death is not an end when we can live on in our children and the younger generation. My Uncle Arlington's warmth and welcoming spirit impacted me. The memories, as far back as I can recall, bring me smiles. I know the same holds true for so many. I send prayers and love to Millie and her family during this time.

“ One gentle giant! My uncle Arlington is one of the strongest men I’ve ever known. When you can live to be 96 years of age, that means you lived a good life, well worth celebrating. I only hope I can live to be half the man he is. I speak of my uncle in the present tense, not past tense, for I know his spirit lives. God bless my cousin, Millie and her family as they navigate through this challenging time.

“ Sincere condolences to the family. I am so very sorry for your loss. May God provide the necessary peace and comfort to your family and friends during this difficult time. Please remember these words of encouragement from the Bible: “Jesus plainly told her: I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life.” —John 11:20-25.
