“ All our love and prayers go out to the Scheffer Family. Grandma and Grandpa Scheffer were a very unique couple, always loving and caring and opening and welcoming people in their home and it was a genuine welcome they would truly be glad you came to visit or to see you at a family gathering. I will miss sitting on the back porch of their home watching Grandpa tend his garden and Grandma showing a new plant or talking about their children and grandchildren with so much love. They will be truly missed.

God Bless
