“ Carolyn Moody,  
*I'm so sorry to her of your mom's passing. I remember when I used to spend the night at your house and your mom was in her pretty gown & robe and propped up in her bed on big fluffy pillows. I used to think she looked like a real princess. I don't know how to reach you other than this email. I just wanted you to know that you're in my thoughts. I lost Dad last August and it is so hard to loose your parents. I'm still taking care of mom and she's doing pretty good considering what she has been through. Email me sometime. I'd love to hear from you. Carol*
