“ I was saddened to hear of Gussie's passing. She attended SSOS on Thursday's for many years. I played bridge with 3 other older gentlemen and she always came in the door and greeted us with " Good Morning Boys". I told her that was the nicest thing we would probably hear all day long! Awhile back, she came to the meeting with her walker and I got up and gave her a hug not knowing that would be the last time we would see her. She was a beautiful person and enjoyed the jokes we passed on to her. We will miss her always and are praying for her soul, which we know is with the Lord this day. May God bless your family in this time of sorrow.

“ Dear Sciba Kids, We have lost an unforgettable character! Your mom was one of the sweetest and most fun people that we have been fortunate enough to have pass through our life. We know that your sorrow is great, yet we know that her joy of being in the presence of her Lord exceeds the boundaries of our imagination. We pray this will comfort each of you in the days to come
