“ Austin, you were always our most cheerful nephew, with such a big heart and easy smile. No doubt you are still smiling while walking with your beloved Dad, both watching out for your Mom and brothers in our Lord's peace.

“ Our prayers are with you. Most of the best times we had in Eclipse Soccer included Austin. He always brought laughter and joy to the "caravan."

When we talk about the boys' early days of soccer, we always talk about Austin's domination as a goalie. He was light years ahead of the rest of the players in his age bracket. We feel blessed to have been a small part of his life.
