“ Our deepest condolences to the Guerrero family. I will always cherish the memories of growing up across the street from Valde and his wonderful family. We shared many good times together listening to Valde play his guitar and sing. To Rey, Ricky, Gracie, and Diana, may you find comfort knowing your dad is now with your mom in God's kingdom.

Love always, Dan & Bea Trevino

“ *To the Guerrero family,
We are deeply sadden at your loss! Uncle Bob will be greatly missed by our family but knowing the Man, he was and the Love that he had for you, He shall always be near and in your hearts. I personally had the pleasure to have known him for 28 years and never once was treated any differently by him. He always had time to share your thoughts, jokes, stories and the day with. I recall him loving to make music with his Brother Pete my father-in-law and always showed us how a good man should act like by living the example.
To Ricky, Ray, Diane, and Gracie lay your cares in the arms of God during this most troublesome time for in his Love and Grace you will find Peace
