“ Aunt Barbara was such an upbeat and special person. Although we only actually met a few times, she never forget a birthday or Christmas card. She will be missed! Robin & John, my thoughts & prayers are with you. As this announcement shows the footprints in the sand, remember that it is during these tough times that "He" will carry you through. Your Mom is in heaven smiling down on all of us and with no pain anymore. God Bless!

“ My condolences to the family. May the peace that only God can give settle in your hearts to bring a smile to your faces when you think of Barbara and as you await the time when God fulfills his promise to wipe away the tears from the faces of those who mourn. Isaiah 25:8

“ Aunt Barbara was such a beautiful person inside and out. She was my mom's best friend. They talked everyday when she lived in Tampa. My family loved getting cards in the mail from Aunt Barbara. She would send you a thank you card for a bag of shells or a box of rocks. She was so sincere in everything. I'd love the cards telling me how proud she was of me and how much she loved me. Those were the best! I will truly miss everything about her. She was hopeless romantic. She loved dancing when she could and always enjoyed music. I look forward to seeing her again on the other side! She was an awesome Christian woman who loved the Lord, her church and her friends. I miss you Aunt Barbara and I'm sorry I didn't get to visit you in Texas before you went home to be with the Lord! Hugs & Kisses and Lots of Love Always!!!
