“ Margaret I am so sorry for your loss. Barney truly was one of a kind. He always had a question with an answer to anything we talked about. Although I did not visit as much as I should have, I am going to miss talking with you. We all know I talk to much and Barney was quick to let me know it. When you go through heaven's gate, you will be greeted by many family members on both the Rose and Silhavy families. RIP dear sweet Barney.
