“*Nan, and family, i am so sorry for the loss of your Mom! As I've mentioned many times, your family was (and is) very special ti me! I will always be grateful for the times your parents took us to church on Sunday after I spent the night after we went to a dance in East Bernard - which was often. Going to church with your family gave me a foundation that has stayed with me always! My heart goes out to you and your family, but you can be at peace knowing that your Mom is with the Lord and is reunited with your Dad! With love and sympathy, Kim Henderson*

“*Charles,  
Jody and I want to send our condolences to the family and may she rest in peace. We didn't know your mother, but Jody said that you spoke of her at times while you both worked together in the days of Bariod. Our thoughts and prayers are with you and your family.*

“*We are saddened to hear of Ms. Leightenheimer's passing. She and Carl were wonderful friends with my parents since they were all very young. We grew up with Charles and Nan. Ms. Leightenheimer was funny and very loving to us. We had some wonderful times. She earned her wings and hopefully she is in heaven having coffee with my parents! Deepest of sympathy and love to you all!*
