“ *On Behalf of the staff members at Highlands Insurance Company, we are extremely saddened at the lost of our dear friend and former co-worker “Bea”, but we know she is now resting peacefully. Her presence always brought rays of sunshine to all of us during her annual visits to the office until recently whereas the pain would not allow her to continue.*

To the family, please know that our thoughts and prayers are with you as we extend our heartfelt condolences and pray for God’s blessings upon you.

“ *What a sweet, wonderful lady. She spent so many years in so much pain but she was always so kind. She would light up during a visit and truly enjoyed her friends and her "little treats". A Dairy Queen blizzard would bring her great joy. We will miss her greatly but we are glad that she is at peace and no longer in pain. God's blessings on her family. You are in our prayers.*
