

Becky Boswell Crawford

May 5, 1965 - November 23, 2014

Becky Marie Boswell Crawford, age 49, of Rosenberg, Texas, left planet Earth to join her Lord and Savior, Jesus Christ, in Heaven, on Sunday, November 23, 2014. Her favorite two people in the world to talk about, to anyone who would listen, was her daughter, who survives her, Kassie "Little Bear" Crawford Sukiennik, now married to Brian Sukiennik, and her grandson, Rooke, age 2. Loving others came naturally to Becky, who arrived on May 5, 1965, to her adoring parents, the late Dr. Samuel R Boswell, who delivered her, and his widow, Mary Lou Boswell, who now survives them both. Becky was also blessed with, and survived by, a large and loving family: sister Jan and her husband, Wes Stoddard, their three children and four grandchildren; sister Cathy Early, her son and grandson; sister Judy and her husband, Denis Hafer, their two children and four grandchildren; brother Sam R Boswell, Jr. and his wife, Elizabeth Jones, and their four children; brother Joe Boswell and his wife, Cathi Cross, their six children and nine grandchildren; many nieces, nephews, and cousins, and more friends than stars in the sky, who loved her heart and will forever miss her infectious smile and energetic love of life. Becky's primary hobby was friends, although she never knew a stranger. Being a friend of Becky's was like being in "The Club," and she culled them from everywhere. Born and raised in Rosenberg, Texas, she was a member of the Lamar Consolidated High School graduating class of 1983, afterward going on to Southwest Texas State University to earn her Bachelor's of Art in Accounting. She was a Sr. Buyer/Purchaser for oil and gas. She was known

for her love of music and especially of being a devoted Stevie Nicks fan, references to which came up frequently in conversations with her or pictures on Facebook of yet another concert she had attended.

True to the way she lived her life, Becky did not leave us in despair, but left deep deposits in all of our hearts of her kindness and love, to light the way and remind us of where she is now and how we can see her once again someday.

A Celebration of Life to honor and remember Becky will be held at Davis-Greenlawn on Saturday, November 29, at 10:00 a.m. Condolences may be sent to 316 Pecan Park Drive, Rosenberg, Texas 77471.

“ We are Wyman's parents. Becky was part of our family for so many years. We loved her dearly and it was always fun being with her. We shared a lot of good times at Wyman's house or eating Mexican food at Lopez. Though we have moved to Austin, we will miss feeling we'll be seeing her the next time we are in Houston. We are so very sorry to lose such a dear person. Patty and John

“ I have only been able to keep up with Becky on FB. I feel, sometimes, we get so caught up in our own stuff and family that we don't always see outside of our circles and commitments. Becky and I were friends in High School but, I got married at 17 and graduated early. We lost contact. I hate that now. I'll always remember her laugh and her smile. I could pick her smile out of a crowd. She always had such a beautiful soul. She'll be missed so much!

“ *I would like to express my deepest condolences to her family, friends and especially to her daughter Kassie. I know there are no words to help ease the pain or dry the tears, but just know that she loved you very very much. In the short time that I had the pleasure of knowing Becky, she was a delight to work with, to talk to and to be around. She was a very loving person, a great co-worker, team player and friend. She always talked about her daughter, her grand baby and her other grand baby on the way; it would just light up her face. Becky you will be missed and you did leave a lasting impression on us all. My prayers go out to your family. May they find comfort and peace at this time.*

“ I am so sorry to hear of Becky's passing. I never met Becky in person but I had a beautiful picture of her in my mind. We worked together on this project that I am on now and she was literally my right arm!! She was my go to for any issues or needs....she always came through for me!!! Every single phone conversation we had began with "Hey Beth, how are you today"? We never ended a call without a laugh or two.....she was such a blessing to me: We were supposed to meet!!!

We had a huge inventory to do and she was going to come and help us and I had invited her to stay with me and we talked about how much fun we were going to have....she had never been to the job site and was so excited about coming.

I have to say that I am so lost and heart broken over this. What a beautiful person she was!!! I pray for her family and friends for peace and strength. May God bless each of you....

She touched my life in the short time that I knew her and I will remember her always!!

I am so sorry.....Beth Mitchell

“ Mama Becky is one of the most kind and giving people I've ever known. She is extraordinary in everything she does. Her love never knows any limits and neither does her smile. She has one of those mega watt smiles that can light up a room and a spirit that fills it. Even though she's gone, her memory still lights and fills us all with the joy that was Becky Marie. You are so loved, my darling. And you will forever be missed, until we meet again.
