“ My grandma was my best friend my go to lady she was my everything ... Since she passed it's been the hardest thing ever it is the worst day of my life but everyday that goes by I think on how she would want me to smile and keep going everything I do I think of her and how she would tell if I ever gave up I love you momo

“ I remember the first day I met her, feels like just yesterday. She was the most caring, sweetest, loving person ever. She made me feel so welcome. I remember dancing with her one time 😊 of course she didn't want to but after getting her out on the dance floor she had a look on her face undescrivable. You will always be remembered and missed by many. My deepest condolences go out to the family. Rest in peace Mrs. Benita
