“ *I will always cherish the times I stayed with my grandmother in the Valley. I remember going to th catholic church with you and you taking me to JC Penny's and buying me shoes. I always loved the smell of your powder you would put on that came in the container with a puff.....and the many times I got into it..you never got mad. I love you grandma Benita and yes you will always have a special place in my heart. Love Christina*
