“ *My dad was an amazing and caring man, always bringing warmth and kindness to those around him. He found joy in the simple things—word search puzzles, watching football, wrestling, and classic westerns, and baking his favorite muffins. One of his greatest loves was going on cruises, where he would proudly say he would ‘eat, eat, eat’ to his heart’s content. He was loved by so many, and his absence leaves a deep void. Dad, I love you, and I know this isn’t goodbye—just ‘see you later.’*

“ *My grandpa was a man of many talents—if something needed fixing, he was the one to call. He took great pride in his home, his lawn, and his community, always ensuring everything was just right. His warm smile and lighthearted jokes brought joy to those around him, and his presence will be deeply missed. Though he is no longer with us, the love and dedication he showed in everything he did will never be forgotten.*
