“ *Mary and family:
Bennie was a good friend and my deer hunting buddy. He always helped me if I needed him. I enjoyed playing cards with him at the deer lease. He cooked the best barbecued pork ribs I ever tasted. He will be missed by all of us.*

“ I will miss Bennie very much. I loved him like he was my Daddy. He said that I was his long lost Daughter one time. I know that I speak for Fairchilds when I say that we will miss him very much watching him play the machines, drinking beer and talking so soft that whenever you ask him what he said, he would sometimes say oh never mind. I will always remember his 80th birthday party forever. There are so many great times that I will have to cherish. God bless all of the family and just remember that he is resting now. No more pain or worries and NO MORE DR'S APPOINTMENTS. I LOVE YOU BENNIE.
