“ Well my mother will be glad that there are finally good kolaches in heaven! Mrs. Warnecke did a wonderful job on our wedding cake as she did so many others and catered food to our family functions when we were not up to the task of cooking for 75 people. She will truly be missed! Our thoughts and prayers are with you.

“ We were one of the very lucky couples to have had the honor of sitting with Bessie to pick out our wedding cakes. There was not a piece left of the cakes to be found at our wedding reception. Her huge heart was shared with many, just like us, on such an important date in our lives. Our thoughts and prayers are with the family at this time.

“ *To the Family,*

My deepest sympathy to you. When I think of Bessie I think of all the hours she must have sat with brides and grooms to pick out cakes for weddings or make kolaches, cookies, pies, etc. for people who loved her baking. I wonder if the Lord eats kolaches? May you have peace in the days to come and know that others are grieving with you also
