“ Aunt Betty was always the one to go to when life was crazy and things seemed bleak. She could get you smiling and laughing and bring out the joy. She taught me so much and I am so thankful for that. I remember the times that the garden didn't put off what was needed and off to the Farmer's market. Scrubbing cucumbers and making pickles. If you needed something she was there. If you came across her mind your phone would ring. It seems she always knew when you needed someone. She will surely be missed by all who knew her. Many fun times as a child whether it was going to the park at night and swinging on the swings, playing games, camping, gardening, & more. The Love She had was felt by each of us.

“ Memories of being a child, Aunt Betty a safety net, a confidante, happy and spontaneous. I remember camping, parties, phone calls and the greatest love. And so much more. I remember!

“ *I married into the Brietzke family 38 years ago by marrying Betty's niece, Pat Kitchen. Betty immediately made me feel welcome and told me I was always welcome. Years later, when Pat faced medical issues Betty was always there checking in on her, sending a card or making a call to check on us. She'll be sorely missed. My deepest condolences to Gideon, Rusty and Patricia.*
