“ I only today learned of Betty's passing. I met Betty and Ken sometime around 1991-92. They had just recently married and visited and later joined the church where I was pastor. I lost contact with them when they moved to Toledo Bend.

Betty was such a friend to this pastor's wife, and I will be eternally grateful for the kindness they showed her in particular and our family in general. They were dear precious gifts from the Lord to us. Kind, thoughtful, generous and giving does not begin to describe her and Ken. I am so glad the Lord brought our lives together for a season when we all four needed each other. God is so good that way.

“ We are so sorry for your loss. Betty was so sweet. She lived her religion. You knew from just being around her that she was a true Christian.

“ Ken, you and your family are in our prayers. You could tell Betty loved you so much. Every time I saw you two "out and about" at WalMart, etc., she would always say "Ken has a joke for you". She was so proud of you as you were of her and that was obvious to anyone who knew you. She will be missed by many. Your kin in Christ, James and Lynne Sharp

“ I am so grateful that my dad was able to share 23 years with Betty. She took great care of him and was always so generous in sharing him with his family. We were remarkably fortunate to have her in our family.

“ Anyone that knew my Aunt Betty would agree that she was one of the most giving, kindhearted and faithful children of God that you could ever meet. Whenever I asked her how she was doing she always said "I'm blessed" and that is always how I felt with her in my life... I was blessed. We will all miss her terribly but rejoice knowing she is with our Lord.
