“ Betty Jo....Kind hearted,strong, loving, giving, powerful woman of God! She was truly a woman of God that was sent to empower us with the Word. I remember listening to her with awe. I would hang on every word she said because I truly believed in her sermons. She was real as real could get and the world will truly miss her. But her work is done here and we must remember the words she spoke and keep the faith. May God Bless us all. And May God continue to Bless the Frank Family. Trust that he will. With all my love.

“ Betty Jo was one of the finest Christian that I ever met. She really loved and cared about each individual person that came across her path. I ask God why it hurt so bad? He told me because you loved her and you know she loved you back---it was not just words. I love you Betty Jo and you will be greatly missed.

“ To Gene, all the grandchildren, Darren and his wife, and the Ashley families, We were shocked by the news of this tragedy. Though it has been over 20 yrs. since we attended CLW, Betty Jo has been thought of often. Her laughter, straight-on words, boldness, were all inspirational to me. My husband gave his life to Christ at a home bible study Pastor Gene held....and now we have raised 6 children who love the Lord! The impact Gene and Betty Jo have had is from generation to generation. Thank you Gene for giving us your wife in ministry---she was a firecracker! Betty Jo will be remembered in fondness. Our prayers are with all of you as you try to make sense of all that is going on around you. May the Holy Spirit bring comfort that surpasses all understanding. Alan and Janet King

“ I could say a lot about Betty Jo, but the one thing that stands out in my mind was her message on heaven and to "Be There." She ended many letters that way. Two words written as an invitation -- a plead -- to come to Christ and to make sure we were ready so that heaven would be our home one day. Betty Jo, you, along with other saints that have gone on before you, have crossed over to the other side. Because of your life and the seeds that you planted, many will follow and will one day "be there" as well. We will NEVER forget you.

“ My Granddaughter Anna Ortiz Vincent invited me to a Mother/Daughter Breakfast at the church. I was so awed by the love and fellowship that surrounded you there. I was very fortunate to have met Betty Jo and her Daughter Keitha that morning. What really stands out in my memory is Betty Jo's laughter and bubbly personality. She just radiated Gods love.

Words can never express my sympathy for this family and their friends only God can give the ultimate comfort.

I will close with this thought. I feel truly blessed that I was able to meet and share love and laughter with Mother/Daughter for a day.

“ BJ is one of those people who stands out from the rest when I look back at my time in LWCS. Her voice could stop you in your tracks, her authority unwavering, and she was always very frank. I loved this about her, I always knew where I stood. As a teenager I often felt like grown-up's didn't "get" me or see who I really was/who I wanted to be -- Mrs. Frank always did, she saw to the core. With everyone. And she knew what people needed, whether it was direction or inspiration or to be confronted or comforted. I will always remember this about her and it will always inspire me to be the same way, to ask God to help me look INTO people instead of AT them, and to be a lighthouse and cornerstone for everyone He brings into my life.

Strong prayers and constant solidarity to the Frank family as they begin a new path together. You are all in my heart today.

“ It is still unbelievable that Betty Jo and her daughter were taken away in such a brutal way. We will always be thankful to Betty Jo for her contribution when our daughter Lydia was hurt in the motorcycle accident two and a half years ago. Betty Jo prayed constantly for her life until Lydia was safe. We are eternally grateful. We will pray for the families, for the children and adults that God will give you his strength and his peace.

“ *The memory our family has of Betty Jo Frank is that she lived each day to the fullest, honoring God with her words and actions. She is a humble servant leader that daily sought to inspire and encourage others. Whether fellowshiping with LWCS/CLW friends at Christian Fun Day, cheering on her beloved Challenger sports teams, speaking to and praying over the flock at CLW, bragging on and loving on her family, she lived to bring glory and honor to her Lord Jesus Christ and to make real the Trinity. Her legacy and impact reaches far beyond Fort Bend County. We are truly thankful and blessed that she reached out to us and lived a life worthy of being remembered as good and faithful.*

To Gene, Darren and the Frank/Ashley families, we extend our prayers and love to you. You shared your help meet and mother with a world that needed her touch. Thank you and may God's comfort and peace strengthen you in the days to come.

“ Betty Jo Frank, my adopted by love Mother for over 36 years & Keitha my sister I am absolutely heart broken over this shocking I received a text message from Betty Jo on Christmas Day & was looking forward to seeing her this week to get a big hug & to rub her shoulders. Betty Jo has always been an inspiration to me & she is the one who lead me to the Jesus on a Tuesday night, January 23, 1974 at First Baptist Church of Rosenberg. Betty Jo taught me honesty, love & how to worship God. To see her dance before the Lord with her special, beautiful smile blessed my heart & you could always feel the joy & God's love shining from Betty Jo. I loved Betty Jo with all my heart. We have a lot of teachings she has left for us & I will be listening to all of them over & over again, to hear her sweet, happy voice & to receive the blessings from her teachings. Betty Jo was one of a kind & she did God's work daily her on earth. I miss her!

“ I was so very sorry to hear of the passing of Betty Jo and Keitha. My son, Chad Turman, graduated from LWCS about 11 years ago, and the great influence of everyone there continued to set the strong Christian way of living he pursued. I will always be very grateful for that. Sadly, Chad was killed in a car accident on Oct. 18; the Franks' were there at his viewing. I know God has them all now and is so joyous to have them with Him. May God give the family the strength and blessings they need during this very sad time. My thoughts and prayers are with you all.

“ I am so thankful for the season I had with Betty Jo, Pastor Gene & the family of Church of Living Waters. Just as she did with so many, she imparted seeds into my life that have & continue to produce eternal fruit. She "stored up treasures in heaven". I'm grateful for fresh revelation she BOLDLY declared & still quote many of her teachings. Betty Jo allowed me to serve in areas I didn't think I was qualified & taught me, "God qualifies the CALL." I have many "funny" memories just from the short 7 years my family served there! I commit to intercede for this amazing family & the body of Church of Living Waters. Thank you Frank family for always going the second mile, TRUE bond servants to our Lord Jesus Christ.

From our first church service at Taylor Ray High thru all the years following, Betty yielded herself to the ministry of the Holy Spirit and my life like so many others was changed. She leaves a legacy behind of being one who devoted her life to God's purpose in touching the world around her. “ I have fond memories of Bro.Gene, Betty Jo and family, during my Jr. High Years at Wallis Baptis Church where my Dad was the Spanish Pastor. It didn't take our hearts long to be tied to theirs, because of the Love of God that was shown to all they encountered. Their smiles were as bright as the sun and their hearts were bigger than life. Truly people of influence and God so entrusted them to continue the work He had begun in them as they moved to Rosenberg, Tx. Our hearts are grieved with yours for the loss of these precious ones!! “ Betty Jo Frank was one of the most extraordinary women I've ever known. Filled with love, mercy, grace and the Holy Spirit. When I think of Betty Jo, I remember the very early days when she and Gene first started their Bible Study in their home, way back in the '70's. I attended regularly, and learned so much from them, but most of all, I experienced the love of God they extended to everyone who came into their home.

I was grief-stricken when I heard of Betty Jo's and Keitha's passings, and they and the family have been in my prayers since Sunday.

May God, by the power of His Holy Spirit uphold you, grant you mercy, peace and strength to endure these days, until you see Him face to face. You all are loved by so many, but most of all, you're loved and cherished by the One who will sustain you in every way.

You all will be in my prayers these days, and in the future. In God's most abounding and abiding love to you,

“ Our family is happy and fortunate to have known the Franks. I along with my whole family were saved at one of Rev.Gene's revivals @ the Baptist church in Brookshire, Texas in the early 70's and for that we will be eternally grateful. We love you and are holding the family and church up in prayer. Betty Jo and Keitha will be greatly missed.

Isaiah 41:10

“ My heart is grieving the loss of Betty Jo. I remember the impact she and Gene had on my life when as a child I attended the Christian Coffee Houses they hosted from their own home every weekend. They had a passion for Christ and for people. Even then they were involved in helping those that others would not trouble themselves to help. The Franks' meaningful impact extended to my own child while a student at Living Waters Christian School. You touched many lives, Betty Jo.

“ I can't believe so many years have gone by since we last saw the Frank family, But we still hold them dear to our hearts. Pastors Betty Jo and Gene loved coming to the house for Mexican food and good fellowship. I loved to see Betty Jo laugh it was contagious, as for Keitha, I thought she was the most beautiful blond blue eyed little girl I, d ever seen. As Pastors, the Franks stood by us during the deaths of our children. We love the Franks. you're in our thoughts and prayers. May the peace of God Strengthen you now, as you have strengthen others.

“ The sadness that surrounds the passing of Betty Jo is hard to comprehend. My prayers are with all your family and loved ones. I loved to listen to Betty Jo talk of her faith and stories of travel as she and Pastor Frank carried out the work of sharing the Lord. May this same strength and belief that your family has shared with so many help each of you in the passing days. You are in my prayers today and always.
