“ My sister send me an email telling me that your mom had died. I had not seen her in YEARS, but I remember, with fond memories, the years we were neighbors on Louise Street. She got me hooked on Nancy Drew books, and to this day, I still enjoy them. My kids at school have several read to them throughout the school year, My thoughts and prayers are with you as you go through this difficult time.

“ We in the neighborhood knew Betty Jean best as "Paula's Mom". We were all envious of Paula having such a wonderful and spirited mother who clearly knew how to enjoy life. We have wonderful and many, many, many memories and stories thanks to "Paula's Mom". It won't be the same without her; we promise to keep celebrating her life with Paula every year. Much love to your whole family.

“ I want the Denhart family to know they are in our thoughts and prayers during this difficult time. A great testament to a person is the product of what they leave behind. Her son, Dale Denhart, has been a joy to know and work with. She must have been a great lady.

“ To all Jean's family,

*I am so sorry. I just heard about her being in the hospital from Nancy and went right away to Oakbend. But, I was too late. She was a wonderful friend and we had some great times together. I will keep all of you in my prayers.
