“ *We remember Betty so fondly when we were patients of Lillo Crain's. She was always so kind when she was giving us tests EKG's etc and made our visits more pleasant. She was, as you said in the obit, caring, compassionate and occasionally opinionated. And we loved her. Our condolences to her family.*

“ *To Betty's Family,
My heart goes out to you in the loss of your mother. What a dear friend she was to us and to Mom. Betty always made me laugh when I would see her with Jo Anne. They had wonderful trips together with lots of tales to tell. I'll never forget how she was there for us to keep an eye on Mom when we 4 sisters had to go to Louisiana to see about Mom's brother. Betty never failed to be a good friend. Her laughing voice will not be forgotten.

“ Belinda and Betty Ann, I so sorry to hear about Betty's passing. Our thoughts and prayers are with you and your families. Betty was a longtime friend to my mother and the entire Gandy family. I can still remember her reading me the riot act when I went to pick up Darlene for our dates when we were in high school. Betty will be missed by her many friends. I am glad I got to see Betty by the creek the day you brought her home from her hospital stay. Betty is in better place today and is enjoying a reunion with the family and friends she lost too early.

“ To all of Betty's family:
La Senora Mrs. Jenks was such a very special person and I will always remember her beautiful, mischievous smile. She was one of a kind and how lucky for me to have had her in my life. Now she can liven things up in heaven!

“ Betty's presence filled a room with life, laughter, and definite opinions!
Her strength of character and sense of humor will be sorely missed, but our loss is heaven's gain.
She will be a bigger than life angel...for sure!

“ Hi Belinda, Betty Ann, and Family:

I will miss Betty; I have so many fond memories of sharing our backyards in the Sugar Land Flats. I can still see her walking out the your back steps in her starched, white, immaculate nurse's uniform, leaving for her swing shift at the Laura Eldridge Memorial Hospital. There are so many great memories of Betty to share. Her greatest legacy is the wonderful family she leaves behind for whom I have the deepest respect. May God's comfort exceed your sorrow in this difficult time.

Love,

Brucie

“ *Betty was always such a joy to visit when we Erik, Megan and Jesse would come visit in Sugarland. Along with being so welcoming of me, she was also such a hoot to visit with. Very down to Earth and a true loving soul. She will be missed.*
