“ I will miss Betty as she was a good telephone friend. We talked a lot about our earlier lives, but a lot about Trenton, her grandson. Since my son married Betty's daughter, it made it easier to communicate. I will keep you in my prayers. I really did love you.

“ My Dearest Kay,
I am so sorry about the loss of your mom. She was always a wonderful lady who helped all the kids in her school have a good healthy lunch. I remember her giving extra change to those who didn't have it so they could have something to eat. A true treasure. Thank you for sharing her w/all of us. She will be so missed, but heaven is so blessed to have her come home, so that she can spend her eternity w/the Lord. Prayers are going out to you & your entire family. I am truly sorry for your loss.

“ Dear Marek family,
Our hearts go out to each of you. As good neighbors, we will miss Mrs. Marek and all she did for our children, our school, our neighborhood. Please know that we don't lose our loved ones, they simply return to their heavenly Father. Those of us left behind are the ones that hurt, at least until the day when we all re-unit in heaven!

“ I remember Aunt Betty and Uncle Johnnie coming to all our church bazaars here at St Michael's in Needville. They always wanted our good sausage "klobase" and we they came on other visits I would sell them klobase and homemade bread. She always sent us greeting cards too.
