“ I am so saddened to hear of Betty's death. I have many memories of aunt Betty. I remember her making beef stroganoff when Karen and I would spend the night with Connie. I also remember her making Connie and me kiss and makeup when we had one of our many arguments. I am thinking of you Connie and especially you, Opal.

“ Betty was definitely one of a kind. She could talk her way out of a therapy session before you realized it, but she always did it with a smile and a laugh. She was always concerned for others and what she could do to help. She touched my heart and I will never forget her. Connie, you and your family are in my prayers.

God Bless,
