“ Our thoughts and prayers go out to the family in your time of grief. Jo Leta especially asked me to send her the obituary due to her not having a computer and she lives in Mississippi now. She was indeed saddened at the news of Betty's passing, as they were good friends. May God grant you peace and solitude in your time of grief.

“ I knew Betty Lou as my only cousin and my mother’s only niece. That alone made her special to me. We were separated by distance growing up, but I was always aware of the affection my mother Imogene Farabough Gant and our grandfather George Farabough had for her. I remember her visiting in Arkansas and once going to see her in Oklahoma with my mother and grandfather.

She also visited my parents as an adult with her young family and corresponded with my mother through the years. It was during my parent’s illness and after their deaths in 2002 that we began to visit by phone and I felt I came to know her better. I am aware of her love for and pride in her children and her grandchildren, her love for my parents, and most of all, her faith in and love for her Savior Jesus Christ.

The loss of a parent is always sad and I know she will be greatly missed. May you be blessed by sweet memories of her and the peace of knowing she is free from pain and discomfort and with her Creator.

Love, Linda Gant Harwood

“ *Angela, I'm sorry for your loss. I have only good memories of your mom, when we were kids. She always had a great sense of humor about everything. That was really a special gift, because I'm sure to most people we were just plain annoying! She had a great life to celebrate, and I know that you, Debbie and Matt were her great loves. Take care, Love, Colleen*

“ Dear Angela and Family:

*Charlie and I want to extend our sincerest condolences. Angela, we talked about this. We prayed about this. And yet, I know it is so hard to let go. It has been an honor to know someone like your "Momma...."Memaw." I know you will miss your Momma and the kids will miss their Memaw but you have priceless memories and you know she will be with you in heart, spirit and soul. So tell Vera and Spencer, Memaw will be watching! God will give you and your family the strength. I love you.....*

“ Wow, what can I say? I spent so much time at your house growing up. Betty was a 2nd Mom to me. She never hesitated at fussing at us as needed, or praising us when deserved. She will be missed. I can picture her and my Mom sitting up there drinking coffee & discussing us rotten kids. My, my...what a picture THAT is.

“ I was blessed with knowing Betty through her youngest daughter, Angela. I met Angela through our church, and we have been dating just over a year. Angela shared with me her mothers love of God, and shortly after we started dating is when I got the opportunity to meet Betty. She accepted me with open arms, and made me feel very loved. I especially got a tickle out of seeing her laugh when Angela and I would play and tease with each other. She asked me to take good care of and always love her daughter, and the last time we spoke, before I left, she told me "I love you, baby." I'm very sorry that she will not be able to be a part of my joining her family and watching Angela become a part of mine. I'm very sorry that I did not have the opportunity to know Betty for longer than I did, but feel truly blessed to have been able to have the few short months with her in my life that I did.
