“ *Beulah and I started first grade together at Holy Rosary so I've known her longer than most of my other friends in town. We got re-acquainted in the past few years and I'm grateful for that. I always enjoyed visiting with her and was sorry to hear about her illness. I pray that the family will be comforted by the wonderful memories that she brought to you.*

“ *We are so sorry to hear of the passing of your mom. She was a joy to be around, have so many memories of both her and your dad on so many trailrides! She always made us laugh and have a good time. What a better place she is in now, no more pain and suffering. God Bless all of you.
