“ My thoughts and prayers are with the family. I have a special memory of Beverly. When I tried out for Wortham Bluebellies Drill Team the 2nd year (as I had not made it the first year), Beverly came over several times to help me with steps for the routine we were doing for tryouts. I just needed some one on one help. She helped me with turns when marching, with steps in the routine and a boost of confidence. We would work together in my backyard, just a few houses down from where the Jolly's lived. I really did not have anyone else to help me with practicing. I am so thankful that Beverly took the time. I made the drill team thanks to Beverly's help! I went on to be Lieutenant and then Captain for 2 years. When I look back on drill team, I remember Beverly and can just picture us in the backyard practicing. She was a great encourager and she made a difference in my life.

“ *Bev was like a sister to me. I dearly love my “Jolly Family “. With Homer, Nell, Debbie and Beverly, I was blessed with more family. They all treated me as their own, and I truly felt like an extra daughter and sister. My heart is breaking for all of us who knew Beverly. We have all lost a ray of sunshine from our lives. She was a loving, kind, caring, and giving person. Oh my goodness, that sharp wit and sense of humor is going to be so missed! I can hear that laugh, as I write this. She was a wonderful mother to Rae Beth and Ashley, an awesome NaNa to Ayden, Charley Rae and Danny, and a loving and devoted “sister” to me. I will cherish my memories till my last breath.*
