“ *Dori, Jan and the McCrackin family-*

Bill was a rare individual who touched all us who knew him as a colleague and a friend - with his humor, integrity, absolute dependability, and, yes, that classic McCrackin irascibility.

He was very good to me and always fun to be around, no matter how hairy things were on a project.

He talked about his family more than anything else and just seemed to have a happy and very balanced view of life. I learned a lot from him, both by his advice and simply by his example. I can only hope I achieve a semblance of that same balance.

I am thankful for having Billy Mac as a part of my life and will remember him very fondly.

God bless all of you.

“ *We often wondered where Bill went, after our softball team broke up, but we often talk of how good a pitcher he was and how he was a huge reason why we won so many undefeated championships. It was an irony that my son married a girl who was a member of Emmaus Lutheran Church our sponsor. It was at the wedding that I discovered that there was still a newspaper picture of our team in their trophy cabinet. It was the first time we had been back there since everyone went their separate ways. Our deepest sympathy for your loss of a truly great guy.*

“ I have had the pleasure of knowing the McCrackin family for 7-8 years. I was always impressed with the family gatherings as they always made me feel such a part of their family. Jan and I would sit and talk with Bill and Dori and it always felt like I had known them my whole life. Bill's heart was so big, I know where Jan gets it from. I will never forget our day at the Texas Motor Speedway when Bill rode in the race car. He had the biggest smile on his face. That's how I'll remember him. I feel honored to know and spend time with the family. Dori I love you and my thoughts are with you constantly.

“ Dori and family,

*I just want to express my sorrow for the loss of a great husband, dad, grandfather and friend. I have many fond memories of what an honest, caring and honorable man he was. One of my favorite memories was at a big family get together and he fell asleep and Jenny painted his toe nails and he didn't even notice until we pointed it out the next day.
You are all in my thoughts and prayers!*

“ I will never forget the day that Bill came to Jackson, MS, and he and I drove to Gulfport, MS, to meet with the administrator and doctors at the surgery center there and he had left his luggage in the architect's car who drove him to Jackson, MS and left and went back to Memphis, TN. Bill had NO CLOTHES, NO TOOTHBRUSH, even no "undies", so we had to go to the store when we reached Gulfport for his "attire" for the "doctor meeting".

Another great memory I have of working with Bill was the "arguments we had over building BRASS-EAST and I hated Castle sterilizers and YES, that was what was going in there.....I wanted AMSCO and we finally made peace and he put in the Castle. IT NEVER WORKED CORRECTLY AND HE ALWAYS THOUGHT I HAD SABOTAGED IT....

I had the pleasure of working with Bill on a couple of occasions and really enjoyed my experiences with him and admired his dedication to the project and fairness to all involved. “ Dori ,Jan and family ,I have so many fond memories of Bill and your whole family it is hard to know where to start.Certainly one of the most unique is when Bill ,Jan ,Rodney Fred and I went Stripper fishing at lake Texoma in the snow.Everything was so beautiful ,we caught a lot of fish and it gave us something to laugh and talk about for years.Dori ,I remember and am so thankful that you and Bill attended HELP's 20th anniversary party.I gave Jan an excellent picture of Jan ,Bill and me at the festivities.Bill may have been born in Indiana but he had the qualities of a true Texan ;a straight shooter ,true to his word ,honest ,trustworthy and in general " A good man".If everyone were like him the world would be a better place.I feel the loss like a family loss. My thoughts are with you.Be proud of all his children ,they will carry on the good McCrackin name ,the way it should be. Larry and Cathy Hampton and all your friends at HELP International

“ Dori, Jan and Terry;
I was shocked and deeply saddened at the news of your loss. Bill was a tremendous example to all he came in contact with. His strength of character and consistent leadership is indeed rare and will be missed by all who had the privelege of knowing him. Bill was a mentor and friend to me and so many others. I was fortunate to share many social times with him and was treated like family. Some of my best meories are: freezing in elk camp; sharing a boat at Lake Powell; going to the deer lease or fishing the coast with Polk and his family; meeting everyone at the conferences and going to dinner. Bill was very proud of all of you and he spoke often about each one. I will miss him very much. He was like a father to me.

“ Dori, Jan, Terry, Craig and Family:

Our thoughts and prayers go out to all of you! We are saddened and heart broken for the loss of such a dear friend and wonderful man.

As you know, I met Bill through a working relationship at Rowland Companies. When Bill was at the Rowland's office for business he would always come by and say hello. I knew he was very busy with meetings and traveling, but he would spend time with me to talk business and see how I was doing.

Dori, the first time the four of us spent time together was in Las Vegas many years ago. Wilbur and I were in the elevator at the Boardwalk Casino coming down to join you and Bill. The doors opened and that was the beginning of our forever friendship. Wilbur and Bill connected immediately through common family and military experiences; they truly had a special bond.

We will treasure our memories forever.

With Deepest Sympathy.

“ *Dori, Jan, Terry, and the rest of Bill's family and friends:*

Our prayers are with your whole family, we all miss Bill.

Over three decades Bill was my task-master, mentor and friend. My fondest memory of Bill was the last bass fishing trip Bill, Terry and I took in the Dallas rain. I swear he was stretching that black bass from lip to tail just to beat my catch.

My earliest memory of Bill was a phone call in the 1980's in which he said we had a construction problem and we needed to meet on site; after a pause he said... "and bring your..checkbook". I always understood even though he used few words.

You probably know Dori, but Bill cherished those trips to England. Only a few weeks ago he described your last trip to England as the "best trip he had taken". And, we all know he wasn't prone to exaggeration, so he didn't say things like that unless he meant them.

Bill and I shared the small town roots, the young man's experience with the military as well as the Settling-down to raise a family in a new place. Over the decades we talked about the growth of the "McCrackin Clan in Texas" and I know Dori that Bill's happiest moments came from your life together and his pride in your children, grandchildren and the extended McCrackin family and what fine people they grew to be.

Your family and all of us are richer for our time with Bill and will carry that experience into the fabric of our lives and those we touch in the future.

In the future I expect to see Bill at those pearly gates; I just hope he doesn't have my punch-list.

Another friend of the McCrackin clan,

Bill Rowland

“ *Fair. This is the one word I would use to describe Bill. I started working with Bill about 5 years ago. He taught me so much about work, family and values. He also told me once, like he told Bill R., to bring my check book to the job site. I did not bring a check book but I did bring the classifieds ads to look for a job. His ability to be fair and call it like it was is a big loss to the industry. With the world we live in we need more people like Bill. I was currently in the middle of my fourth project with Bill. If God did not have a budget before, he will now. I will miss you Bill, professionally but more than that I will miss your friendship. Your family will be in our thoughts and prayers.*

“ Dori, Jan and Family,

Besides knowing Bill throughout the years in our business activities, I feel we shared something special. Although brief, I know the family spent some time in Brownsville, Texas, the place where I was born and raised. It is funny how life can bring people together to the same town, and then allow them to drift apart only to be reunited later in life. I lost my Dad 10 years ago in 1997 and it always seems too soon. I look forward to the day when God calls me to his kingdom and I can be reunited again with my Dad, Bill and all others that have passed before us. Rest assured that we will keep Bill and all of you in our prayers.

Take care and love one another.

“ Dori, Jan.....

Loss of Bill is not easy. I lost both Mom and Dad January of this year. Bill will always be remembered fondly and I will always remember my 1st day on the Job with Medical 21 Corp August of 1984 when I meet Bill, Larry Hampton and Marsha Cohen at the Waverly Hotel in Atlanta. We had just purchased the Marietta Surgical Center and Larry was driving like a mad man. Marsha was yelling at him where to go and Bill and I were in the back seat of the car hanging on looking at eachother. Bill smiled at me and said " Welcome to Med 21, this will be fun!"

I will always cherish the time I had with Bill learning from him and enjoying the meetings and dinners, in many, many different cities. I always looked for him at the Conventions and I always will.
